

KEEP YOUR FAMILY ALIVE. PREVENT HOME FIRES.

- ❑ Keep matches and lighters in a secured drawer or cabinet, out of reach of children.
- ❑ Check under beds and in closets for burnt matches, evidence your child may be playing with fire.
- ❑ Keep lit candles away from bedding, curtains, sleepwear and anything else that can ignite easily.
- ❑ Don't smoke in bed.
- ❑ Keep bedding, clothes, curtains and other flammable items at least three feet away from portable heaters.
- ❑ Don't store old mattresses in the home or garage; they are a fire hazard.
